# **Electric Kebab knife JET 120 Delux**

The JET 120 Delux Kebab knife impresses with its outstanding quality, versatility and durability. The powerful 70-Watt Motor is designed to easily process 100 kg of meat per day. It is specially developed for continuous use and can be operated around the clock (24/7).

A special feature of this Kebab knife is the red-illuminated rocker switch. This innovative switch solution ensures improved and safe operation. During the cutting process, the user always retains full control and benefits from additional comfort and safety.

The ergonomic handle is very handy, comfortable to hold and allows precise, fatigue-free working – even during longer periods of use.

ideal for Kebab snack bars, restaurants, commercial kitchens, and professional catering establishments.

## **Precise cutting Quality**

- Cutting thickness infinitely adjustable from 0 - 10 mm – for precise, uniform discs.
- Cutting width from 10 - 35 mm – depends on the cutting thickness depth and is ideal for all Kebab and grilled meats.

## **Technical**

- Powerful 90-Watt Motor – robust, durable, and quiet in operation.
- Rocker switch red illuminated - on/off switch, water-repellent.
- Detachable cable set – can be separated both at the protective cover, 100 Ø mm blade, and at the transformer, for easy cleaning and handling.
- The device is splash-proof. (Electronics are excluded)
- Circular knives made of high-quality steel – for precise, clean cutting quality.

## **Warranty & Service**

The JET 120 Delux Kebab knife with 12 months warranty.

The service team is available to answer any technical questions you may have and provides quick support.

Repairs, maintenance, and spare parts are handled directly by the customer service.

The high capacity and robust construction ensure reliable use in daily operation.

Images may differ from the actual product. Technical specifications are subject to change.  
We accept no liability for printing errors. Our general terms and conditions apply.
