## Electric Kebab knife JET 90 Star

The high-performance JET 90 Star doner knife is characterized by outstanding quality, versatility, and durability.

The powerful 70-watt motor effortlessly processes up to 100 kg of meat per day, making it ideal for continuous use – even around the clock.

The ergonomically shaped, round handle fits comfortably in the hand and allows for precise work, even during extended use. This device is ideal for doner shops, restaurants, commercial kitchens, and other professional food service establishments.

### Precise cutting quality

The cutting thickness can be infinitely adjusted from 0 - 10 mm.

Thanks to this flexibility, you save time during preparation and can help your guests always serve evenly sliced meat.

The cutting width varies between 10 - 25 mm and depends on the selected cutting thickness.

### Technical

- Powerful 70-Watt Motor – robust, durable, and quiet in operation.
- Pressure switches on and off with splash protection.
- Detachable cable set and separable transformer – makes cleaning and handling easier.
- 90 mm round blade made of high-quality steel – ensures precise, clean cutting quality.
- The device is splash-proof (electronics are excluded)

### Warranty & Service

The JET 90 Star Kebab knife with a 12-month warranty.

The service team is available to answer any technical questions you may have and provides quick support.

Repairs, maintenance, and spare parts are handled directly by the customer service.

The high capacity and robust construction ensure reliable use in daily operation.

Images may differ from the actual product. Technical specifications are subject to change.  
We accept no liability for printing errors. Our general terms and conditions apply.
