# Electric Kebab Knife JET 90 King

The JET 90 King Kebab knife is characterized by outstanding quality, versatility, and durability.

The powerful 90-watt motor is designed to effortlessly process up to 150 kg of meat per day, making it perfect for continuous use – even in 24/7 operation.

A special feature of this Kebab knife is the red-illuminated rocker switch.

This innovative switch solution ensures optimized and safe operation, as it remains highly visible even under intensive working conditions.

During the cutting process, the user always retains full control, benefits from maximum operating comfort and a significantly increased level of safety.

The ergonomically shaped, round handle fits comfortably in the hand and enables precise work, even over extended periods. The device is ideal for kebab shops, restaurants, commercial kitchens, and other professional food service establishments.

## Precise cutting quality

The cutting thickness can be infinitely adjusted from 0 - 10 mm.

Thanks to this flexibility, you save time during preparation and can help your guests always serve evenly sliced meat.

The cutting width varies between 10 - 25 mm and depends on the selected cutting thickness.

## Technical

- Powerful 90-Watt Motor – robust, durable, and quiet in operation.
- Rocker switch red illuminated - on/off switch, water repellent.
- Detachable cable set and separable transformer – makes cleaning and handling easier.
- 90 mm round blade made of high-quality steel – ensures precise, clean cutting quality.
- The device is splash-proof (electronics are excluded)
