### EXPLODED VIEWS – EVERYTHING AT A GLANCE

Our exploded views are more than just simple diagrams.

They provide a complete technical breakdown showing you:

- which part belongs where
- how each part is attached
- the exact part number
- how the mechanism works together
- which item is the correct match for your model

Every component is numbered, named, and clearly identified.

This prevents incorrect orders – saving you time, money, and unnecessary trouble.

A JET kebab knife is a tool that must deliver peak performance every day.

We help you maintain that performance – reliably and effortlessly.
