Electric Kebab Knife JET 80 Titanic

The JET 80 Titanic Kebab knife is distinguished by its outstanding quality, versatility, and durability. The powerful 90-Watt Motor effortlessly processes up to 150 kg of meat per day, making it ideal for continuous use – even in 24/7 operation.

A special feature of this Kebab knife is its red illuminated toggle switch.

This innovative switch design ensures optimized and safe operation, as the switch remains clearly visible even under intensive working conditions.

During the cutting process, the user retains full control at all times and benefits from maximum ease of use and significantly increased safety.

The ergonomically shaped, round handle fits comfortably in the hand and enables precise work, even over extended periods. The device is ideal for Kebab Shops, Restaurants, Commercial Kitchens, and others. Professional food service establishments.

Precise Cutting Quality

The cutting thickness is infinitely adjustable from 0 to 10 mm.

This flexibility saves you time during preparation and ensures that you can always serve your guests evenly sliced meat.

The cutting width varies between 10 and 20 mm, depending on the selected cutting thickness.
