## ***Kebab Knife JET 100 Leopard***

The JET 100 Leopard Kebab knife impresses with its outstanding quality, versatility and durability. The powerful 90-Watt Motor is designed to easily process 150 kg of meat per day. It is specially developed for continuous use and can be operated around the clock (24/7).

A special feature of this Kebab knife is the red-illuminated rocker switch. This innovative switch solution ensures improved and safe operation. During the cutting process, the user always retains full control and benefits from additional comfort and safety.

The ergonomic handle is very handy, comfortable to hold and allows precise, fatigue-free working – even during longer periods of use.

ideal for Kebab snack bars, Restaurants, Commercial Kitchens and Professional Catering establishments.

### **Precise cutting Quality**

- Cutting thickness infinitely adjustable from 0 to 10 mm – for precise, uniform discs.
- Cutting width from 10 to 35 mm – depends on the cutting thickness and is optimal
- for all types of Kebabs and grilled meat.

### **Technical**

- Powerful 90-Watt Motor – robust, durable and quiet in operation.
- Rocker switch red illuminated - on/off switch, water-repellent Pressure switch - on/off switch, splash water repellent.
- Detachable cable set – can be separated both at the protective cover, 100 Ø mm blade, and at the transformer, for easy cleaning and handling.
- The device is splash-proof (electronics are excluded)
- Circular knives made of high-quality steel – for precise, clean cutting quality.

### **Warranty & Service**

The JET 100 Leopard Kebab knife with 12 months warranty.

The service team is available to answer any technical questions you may have and provides quick support.

Repairs, maintenance and spare parts are handled directly by the customer service.

The high capacity and robust construction ensure reliable use in daily operation
