Electric Kebab Knife JET 120 Profi

The JET 120 Profi Kebab Knife is a powerful Profi tool that stands out for its outstanding quality, versatility, and exceptional durability.

The powerful 70-Watt Motor is designed to effortlessly process up to 100 kg of meat per day, making it ideal for intensive continuous use – even in 24/7 operation.

A special highlight of this device are the two integrated switches (toggle switch & push button). They enable significantly improved operation, increase safety, and provide even more convenient control during the cutting process. This double switch design offers clear advantages over conventional devices.

The ergonomic handle lies comfortably and securely in the hand and enables precise, fatigue-free. Work – even with long periods of use. The device is ideally suited for Kebab snack bars, restaurants, and commercial kitchens and other Profi catering establishments.

Toggle switch with protective cap.

Kippschalter mit Schutzkappe.

Koruyucu kapaklı geçiş anahtarı.

Precise cutting quality

The cutting thickness can be infinitely adjusted from 0 - 10 mm.

Thanks to this flexibility, you save time during preparation and can help your guests. always serve evenly sliced meat.

The cutting width varies between 10 - 40 mm and depends on the selected cutting thickness.

Technical

- Powerful 70-Watt Motor – robust, durable, and quiet in operation.
- Toggle switch - on/off switch, protective cap, splash water repellent.
- Pressure switch - on/off switch, protective cap, splash water repellent.
- Detachable cable set and separable transformer – makes cleaning and handling easier.
- 120 mm Round blade made of high-quality steel – ensures precise, clean cutting quality.
- The device is splash-proof (electronics are excluded)
