

Spare Parts & Exploded View

JET 120 Diamond Kebab Knife

Do you need spare parts or support?

Our customer service team is here to assist you quickly and easily – whether you have technical questions, need repairs, require maintenance, or want to order spare parts directly.

All spare parts for your JET 120 Diamond Kebab Knife are always available, perfectly fitting, and easy to replace.

EXPLODED VIEWS – EVERYTHING AT A GLANCE

Our exploded views are more than just simple diagrams.

They provide a complete technical breakdown showing you:

- which part belongs where
- how each part is attached
- the exact part number
- how the mechanism works together
- which item is the correct match for your model

Every component is numbered, named, and clearly identified.

This prevents incorrect orders – saving you time, money, and unnecessary trouble.

A JET kebab knife is a tool that must deliver peak performance every day.

We help you maintain that performance – reliably and effortlessly.

Images may differ from the actual product. Technical specifications are subject to change.
We accept no liability for printing errors. Our general terms and conditions apply.

The JET kebab knife is a very popular model that meets the needs and wishes of users.

The product is defined by the keywords "light, quiet and fast".

The simple operation, convenient cleaning and stepless adjustment of the circular knife make

JET unmistakable and at the same time successful. Stepless adjustment option 0-10 mm for meat thickness.

Suitable for all types of meat.

Dönermesser JET ist ein sehr weitverbreitetes Modell, welches den Anforderungen und Wünschen der Benutzer entspricht

Das Produkt wird mit den Schlagwörtern „leicht, leise und schnell“ definiert.

Die einfache Bedienung, komfortable Reinigung und stufenlose Verstellung des Kreismessers machen

JET unverwechselbar und zugleich erfolgreich. Stufenlose Verstell Möglichkeit 0-10 mm für Fleischstärke.

Geeignet für alle Fleischsorten.

Döner bıçağı JET, kullanıcıların ihtiyaç ve isteklerini karşılayan oldukça popüler bir modeldir.

Ürün "hafif, sessiz ve hızlı" anahtar kelimeleri ile tanımlanıyor.

Dairesel bıçağın basit kullanımı, rahat temizliği ve kademesiz ayarı,

JET'i farklı kılar ve aynı zamanda et kalınlığı için 0-10 mm kademesiz ayar seçeneğini başarılı kılar.

Her türlü ete uygundur.
